POPULAR PRODUCTS

and another one...

The screenshot shows a website interface with a modal form titled "Request a call". The modal has a close button (X) in the top right corner. The form contains the following fields:

- Modal title:** Request a call
- Modal description:** Our customer will call you
- Name:** John Doe
- Phone:** +31355569427
- Email:** johndoe@site.com
- Message:** I wanna some more shoes for today

A blue "SUBMIT" button is located at the bottom right of the modal. To the right of the input fields is an icon of a person wearing a headset. The background of the website shows a banner with the text "CLASSIC WOMEN", "SAMPLE", and "EXCEPTEUR OCCA". At the bottom, there is a section titled "POPULAR PRODUCTS".

Some other settings, such as translations, you can find on Admin page. Don't forget to check email notifications on same page.

That's is all.
